Clinics: Please attach signed & dated Consult Requisition or Script here.

Wishard Rehabilitation Services
Appointment Process

Your doctor has prescribed rehabilitation therapy for you. You need to call to make your first appointment with us. ***This should be done immediately***, because your prescription expires in 60 days.

You will need to have the doctor's order for therapy with you when you call to schedule therapy.

Call the Rehab Department to set up your appointment at (317) **630-7212** or (317) **630-7253**. A scheduler is available between 8AM and 3 PM.

On the Day of the Therapy Appointment You Will Need to Bring the Following:

1. **Photo ID**
2. **Insurance Card.**
   - Note: If you have no insurance, please contact the financial counselor before your appointment at 630-6574 to apply for services or to set up a payment plan.
3. **Consult Requisition or Doctor Referral –This paper is only good for 60 days.** If you come to your appointment after the prescription has expired, you will need a new order from the doctor, which will start this procedure all over again!

If you don't have these items with you, we will be unable to see you.

Please come to your first appointment **30 minutes early** in order to complete the required paperwork (arrive 45 minutes early if you have requested wheelchair assistance). The hospital is large and confusing, so allow plenty of time to arrive at the department.

If you are more than 10 minutes late to your appointment, it will be cancelled or shortened.

If you miss 2 appointments, (including same day cancellations) you will be discharged from therapy and have to go back to the doctor to get another referral.

If you need to cancel or reschedule your appointment,
please call 630-7212 or 630-7253
***at least* 1 work day before your appointment.**

Parking and directions to Therapy Department are on the back of the page.

Wishard Rehabilitation Services
Directions to Rehab Services

From the 10th Street Entrance:

- Enter Wishard through the automatic glass doors west of the OP Surgery parking lot.
