ESKENAZI HEALTH HISTORICAL MILESTONES

For nearly 160 years, Eskenazi Health has provided high-quality, cost-effective, patient-centered health care to the residents of Marion County and Central Indiana. Accredited by The Joint Commission, nationally recognized programs include a Level I trauma center, regional burn center, comprehensive senior care program, women’s and children’s services, teen and adolescent care programs, Eskenazi Health Midtown Community Mental Health, and a network of primary care sites located throughout the neighborhoods of Indianapolis known as Eskenazi Health Center. In partnership with the Regenstrief Institute, Eskenazi Health conducts groundbreaking work that informs health information technology around the globe. Eskenazi Health also serves as the sponsoring hospital for Indianapolis Emergency Medical Services. As the public hospital division of the Health and Hospital Corporation of Marion County (HHC), Eskenazi Health partners with the Indiana University School of Medicine, whose physicians provide a comprehensive range of primary and specialty care services. In December 2013, Eskenazi Health moved to its new main campus and opened the brand new Sidney & Lois Eskenazi Hospital. The new modern and efficient facility is Central Indiana’s first Leadership in Energy and Environmental Design (LEED®) Gold health care campus and offers unique features like a one-of-a-kind sky farm and extensive art collection. The Eskenazi Health Foundation was the recipient of a $40 million gift from Indianapolis couple Sidney and Lois Eskenazi to assist with building the brand new hospital facilities. HHC recognized this generous gift by naming the new hospital and health system in the Eskenazi’s honor.

1859 City Hospital opens, first to treat the small pox epidemic, then as a military hospital. An estimated 13,000 sick and wounded soldiers were treated in a five-year period ending in 1865.
1866 Dr. Greenly Vinton Woolen named hospital superintendent. City Hospital now operates as a charity institution supported by Indianapolis taxpayers.
1879 Dr. William Niles Wishard appointed superintendent of City Hospital.
1885 Flower Mission Training School for Nurses graduates its first class of five nursing students.
1887 First City Hospital ambulances begin carrying sick and injured patients.
1909 Indiana University School of Medicine at Indianapolis opens, beginning lengthy teaching affiliation with the hospital.
1914 Two four-story isolation units constructed, known as the Burdsal Units. St. Margaret’s Hospital Guild hires several Indiana artists, including T.C. Steele, to paint murals throughout the hospital.
1918 Social Service Department established to help with social needs of patients.
1931 Dr. Charles W. Myers appointed superintendent, a post he would hold until 1952.
1935 First iron lung in the state of Indiana installed at City Hospital.
1943 Two-way radios installed in City Hospital ambulances. This was the first hospital in the nation to use this type of radio to coordinate ambulance dispatch.
1947 City Hospital renamed Indianapolis General Hospital.
1951 General Assembly enacts statute creating the Health and Hospital Corporation of Marion County.
1961 First cancer laboratory in Indiana opened at General Hospital.
1969 General Hospital designated by the Indiana State Board of Health to be a major trauma center for Indiana. Midtown Community Mental Health opens at General Hospital.
1975 General Hospital renamed Wishard Memorial Hospital.
1992 Wishard Hospital becomes the first verified Level I trauma center in Indiana.
1995 Wishard named one of the top 100 hospitals in the country for third consecutive year by HCIA, Inc./Mercer Consulting.
1997 Wishard Advantage program begins serving needy residents of Marion County. Wishard Senior Care launched.
1998 Health Connection – a 24-hour-a-day nursing telephone triage system – begins operation. Acute Care for Elders Unit established.
1999 The IU National Center of Excellence in Women’s Health opens at Wishard. Emergency Medicine Department created. New Palliative Care Program launched.
2003 The state-of-the-art Richard M. Fairbanks Burn Center at Wishard opens, replacing the original unit.
2008 Wishard Healthy Aging Brain Center established.
2009 Referendum to build new hospital campus approved with 85 percent voter support.
2010 Indianapolis EMS is formed as a partnership between the city and Health and Hospital Corporation of Marion County with Wishard serving as the sponsoring hospital.
2011 Wishard receives a $40 million gift from Sidney and Lois Eskenazi which results in Health and Hospital Corporation of Marion County naming the health system after the Indianapolis couple.
2013 Eskenazi Health West 38th Street health center opens. The Sidney & Lois Eskenazi Hospital and Eskenazi Health campus opens.
2014 The Commonground at Eskenazi Health, a unique outdoor green space focused on community, serenity and wellness, opened in July.
2015 Eskenazi Health’s main campus achieves Leadership in Energy and Environmental Design (LEED®) Gold certification.
2016 For the second year in a row, Eskenazi Health was named one of Becker’s Hospital Review’s “150 Top Places to Work in Healthcare.”
