ESKENAZI HEALTH OVERVIEW AND HISTORICAL MILESTONES

For more than 160 years, Eskenazi Health has provided high-quality, cost-effective, patient-centered health care to Central Indiana. Accredited by The Joint Commission, nationally recognized programs include a Level I trauma center, regional burn center, comprehensive senior care program, women's and children's services, teen and adolescent care programs, Lifestyle Health & Wellness Center, Sandra Eskenazi Mental Health Center, and a network of primary care sites located throughout the neighborhoods of Indianapolis known as Eskenazi Health Center. In partnership with the Regenstrief Institute, Eskenazi Health conducts groundbreaking work that informs health information technology around the globe. Eskenazi Health also serves as the sponsoring hospital for Indianapolis Emergency Medical Services. As the public hospital division of the Health & Hospital Corporation of Marion County (HHC), Eskenazi Health partners with the Indiana University School of Medicine whose physicians provide a comprehensive range of primary and specialty care services. In 2013, the

Sidney & Lois Eskenazi Hospital opened, providing a new modern and efficient facility, becoming Central Indiana's first Leadership in Energy and Environmental Design (LEED®) Gold health care campus. Eskenazi Health has been named one of Becker's Hospital Review's "150 Top Places to Work in Healthcare" for the past three consecutive years.
