

1. Follow this link to access the app:

[Symptom Tracker](#)

2. Enter your **Eskenazi Health** email address at the prompt:

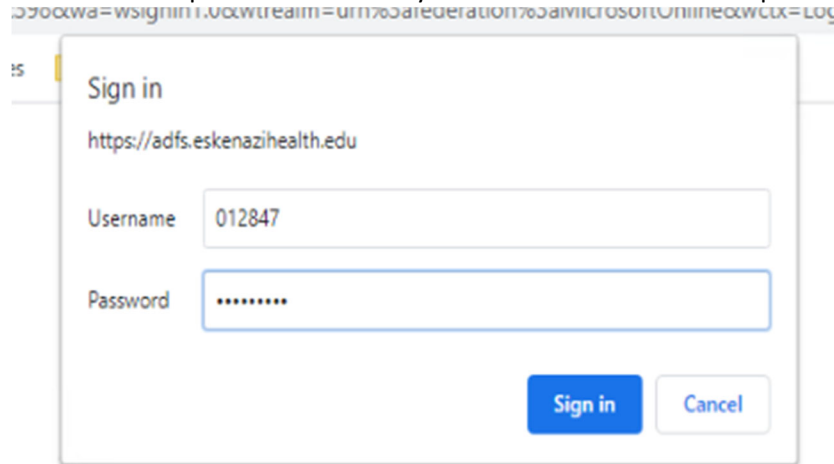

The image shows a Microsoft sign-in interface. At the top left is the Microsoft logo. Below it, the text "Sign in" is displayed in a large, bold font. Underneath, there is a text input field containing the email address "milton.plummer@eskenazihealth.edu". Below the input field, there are two links: "Can't access your account?" and "Sign-in options". At the bottom of the screen, there are two buttons: a grey "Back" button and a blue "Next" button.

a.

NOTE – If you do not have an Eskenazi Health email, then you will need to use your Epic ID in the following format: <epicid>@eskenazihealth.edu. And example would be 999999@eskenazihealth.edu

- b. If you are not using an Eskenazi Health computer (either at an Eskenazi Health facility or via VPN) or if you are using an iPhone, you will receive a second prompt for your username and password. Provide your network username and password in this prompt:

The image shows a second sign-in prompt. At the top, it says "Sign in" followed by the URL "https://ads.eskenazihealth.edu". Below this, there are two input fields: "Username" with the value "012847" and "Password" with a masked password represented by seven dots. At the bottom right, there are two buttons: a blue "Sign in" button and a grey "Cancel" button.

3. Read the symptoms list, provide your answer and click "Submit":
