# ESKENAZI HEALTH OVERVIEW AND HISTORICAL MILESTONES

For more than 160 years, Eskenazi Health has provided high-quality, cost-effective, patient-centered health care to Central Indiana. Accredited by The Joint Commission, named Indiana's top hospital for community benefit and avoiding overuse by the Lown Institute, nationally recognized programs include a Level I trauma center, regional burn center, comprehensive senior care program, women's and children's services, teen and adolescent care programs, Lifestyle Health & Wellness Center, Sandra Eskenazi Mental Health Center, and a network of primary care sites located throughout the neighborhoods of Indianapolis known as Eskenazi Health Center. Eskenazi Health also serves as the sponsoring hospital for Indianapolis Emergency Medical Services. As the public hospital division of the Health & Hospital Corporation of Marion County (HHC), Eskenazi Health partners with the Indiana University School of Medicine whose physicians provide a comprehensive range of primary and specialty care services. In 2013, the Sidney & Lois Eskenazi Hospital opened, providing a new modern and efficient facility, becoming Central Indiana's first Leadership in Energy and Environmental Design (LEED®) Gold health care campus.

- 1859** City Hospital opens, first to treat the smallpox epidemic, then as a military hospital. An estimated 13,000 sick and wounded soldiers were treated in a five-year period ending in 1865.
- 1866** Dr. Greenly Vinton Woolen named hospital superintendent. City Hospital now operates as a charity institution supported by Indianapolis taxpayers.
