

Value Prescriptions

\$10 for a 30-day supply | **\$15** for a 90-day supply

How does it work?

Check the list to see if any of your prescriptions are on it. The next time you fill that prescription, it will cost no more than \$15.

Don't see your prescription?

Share this list with your provider to see if there's an equivalent option that will work for you.
